

*Dear Prime Minister*

*I have type 1 diabetes and i am 6.*

*Can you make all schools like mine, Broadfields, because when i was at my old school it wasn't so great because when i moved up one class there was only one teacher and they didn't want to to care for me. My mummy or daddy could have stayed in my classroom like they were told to do my blood tests but they couldn't do this all day.*

*I had to move schools and i thought it was much more better because the teachers was great at doing my blood tests and as soon as i got in there more teachers came in my classroom to help. At Broadfields it makes me feel so much better because they care for me and it makes me very very happy.*

*Yours faithfully*

*Rose Gumble*
